SIR,

Adverting to your letter No.G.6549-G.M.291-12-3 dated 25th April 1913, stating that the advance of one month's pay paid to P.R. Venkataramayya is an advance recoverable in three equal monthly instalments and to Government Order No.G.6827-G.M.291-12-4 dated 2nd May 1913 permitting the advance in question being repaid in ten monthly instalments of Rs.7/- each, I have the honor to state that the bill in question has been admitted in audit under the special orders of Government referred to above. But Government Order No.631-80/Mdl.2-08-95 dated 22nd July 1911, regulating the grant of certain concessions in the case of persons proceeding to the Pasteur Institute at Coonoor is not clear whether the amount paid under rule 1 (ii) to officers drawing not more than Rs.100 a month is recoverable under the usual rules or should be treated as final charge. Rule 10 of the order which applies to the officers mentioned in Rules 2 and 3, drawing more than Rs.100 a month, but not exceeding Rs.500 and under which such advances are recovered in instalments, makes no mention of the officers coming under Rule 1 and the audit office has therefore been treating advances of pay to the latter as final charges, i.e., as pay for the month concerned paid in advance of due date and charged off accordingly.
